

To preserve & enhance the quality of all life in Caspar

Thanksgiving 2023

You are part of something alive, connected and growing! I am moved to hear community members discuss a concert, a talk, a party or meeting they are looking forward to or that they recently enjoyed here in Caspar. Our impact is strong and wide and is made of community.

At our delicious, simply elegant and cozy Fall Dinner and Silent Auction held November 12th I invited attendees to take a moment to remember a great or moving time at the Caspar Community Center. Immediately voices arose: Voting! Birthday party! Memorials! Yoga! Dancing! Pub Night! (see over) Breakfasts! Emergency Prep Pickle Barrels! You may be recalling an afternoon concert in the backyard, or a wedding celebrating love, or the time you did the dishes after an amazing dinner.

Our incredible working board, skilled staff, and valued volunteer crew have been busy this year. CasparFest was a smash success; 4th Sunday breakfasts, book sales, craft and flea markets continue to delight and support our Center.

Thank you to our ongoing renters who provide our community with inspiration and care: ballet classes for youth and adults, English Country Dance, tango, yoga, men's group, and recycling. Civic and community organizing meetings, celebrations of life, concerts and private parties all contribute to our community as well as our bottom line.

Our fundraising events and rentals and your generous support help to keep the Center running smoothly. We have big plans to develop our back patio into a beautiful event space, more flexible for outdoor concerts, dances and parties. See reverse and check out our website for more information.

At this time of year we ask for your financial support. Monthly pledges can easily be arranged. Please consider including us in your holiday gift list.

Thank you for being a part of this community in all the ways you contribute: giving the gift of your participation, your volunteer time, your care and your financial support.

With appreciation,

Ariana Bayer
for the Caspar Community Board

Mark your calendar
 We will be keeping you warm this winter!

Friday Night, December 8th
 a highly requested reboot of ***Pub Night*** and last winter's Game Night. This project depends on building a new crew to run it!

December 10th
3rd Annual Makers and Bakers Holiday Fair

December 31st
New Year's Eve Masquerade Ball
 with **Mama Grows Funk**

Why Build a Patio?

The Community Center has a great backyard - the view to the east is luscious – and many of us have enjoyed outside events there. However, dancing (and walking) around the gopher holes is challenging, and seating is limited. We've been dreaming about a space that would be more comfortable and flexible, expanding possibilities. The new patio will provide seating around the peripheral retaining wall and a large foot-friendly space suitable for dancing and gathering. The new design will provide an updated outdoor kitchen area. Last year we added stairs to the deck, creating a more open stage; even that small change was a big improvement. Now we have the opportunity to match the beauty of the building with a handsome, more accessible exterior.
